## Order Form

### © Conditions

This is an agreement between an orderer of a TC ID Store respectively certificate deposit, hereinafter referred to as Customer, and ChosenSecurity, Inc. This Agreement shall enter into force upon confirmation of the order by sending username and password to the Customer or allocation of a new deposit for the TC ID Store account.

Please read through the following terms and conditions carefully before you forward this application to us. Should one of the following conditions be breached, ChosenSecurity may revoke all the issued certificates or have them revoked at any time; all payments already effected will not be refunded.

1. The Customer herewith assures that all data and/or information transmitted to ChosenSecurity are correct, truthful and valid.
2. This order takes place on the basis of the current General Terms and Conditions of Business for digital certificates of ChosenSecurity and the current certification practice statement (CPS) of TC TrustCenter, as retrievable on the websites under [http://www.chosensecurity.com/resource\\_center/repository.htm](http://www.chosensecurity.com/resource_center/repository.htm).
3. The invoice will be issued once the username and password for the access to the TC ID Store is sent to the Customer or a new deposit for the TC ID Store account is allocated. Invoice amounts are due within 14 days from the invoice date.
4. The customer agrees to use the TC ID Store and all issued certificates in compliance with all applicable laws and [regulations](#), as well as to comply with the respective terms for enrolling TC Business IDs for Adobe including without limitations US export laws and regulations
5. Customer's organization will be part of the certificates issued with the TC ID Store. Therefore the organization as to be identified according the current certification practice statement (CPS) of TC TrustCenter.

*For this – if not submitted already:*

- ▶ Verification of statements about the organization will be carried out utilizing data provided by databases of trustworthy third parties e.g. Dun & Bradstreet. In case there is no data available from a third party database you will be informed and asked to provide further information to verify you or your organization identity. This may be a copy of a document proving existence and location of the organization e.g. an excerpt from the relevant official register (for instance, a certified excerpt from the commercial register) or a comparable document. This document may not be greater than thirteen (13) months old and must exist in the original or as a certified copy.
6. The administrator have to be authorized by an representative of the organization to perform the administration tasks as defined in the TC ID Store Statement of Services. They include but are not limited to the following actions:
    - ▶ Register and add users
    - ▶ Modify users and user roles
    - ▶ Delete users
    - ▶ Revoke, suspend and unsuspend certificates
    - ▶ Initiate key recovery for recoverable certificates

All actions must be performed according to the Certificate Policy Definition (CPD) and Certification Practice Statement (CPS), see [http://www.chosensecurity.com/resource\\_center/repository.htm](http://www.chosensecurity.com/resource_center/repository.htm).

## TC ID STORE

### Order Form

In addition to the authorization, Administrators have to be identified pursuant to the certification guidelines of TC TrustCenter according to the provisions for certificate class 2. Therefore the following documents have to be presented to ChosenSecurity:

- ▶ A signed copy of a well-recognized form of government-issued photographic identification with signature, such as a passport or driver license of the applicant.
- ▶ A signed form "Authorization of Administrator"

TC ID Store can only be setup once all the documents and identification required for certification have been received by the registration department of ChosenSecurity.
